

Date	Amount	Name	Campus	Grant Description
GRAND TOTAL	\$2,934,413.16	312		
September 2025 -- August 2026				
December., 2025	3,200.00	Crissie Kayser	THS	Purchase of 150 preserved dogfish sharks, 10 reusable dissection kits, and shipping costs to bring hands-on dissections into high school biology classrooms. This one-time purchase will allow students to explore anatomy and body systems through real-world, inquiry-based learning that goes beyond textbooks and simulations.
December., 2025	485.76	Kimberly Cokley	THS	Purchase of curated collection of modern adaptations and retellings of classic literature. This project focuses on expanding the THS library collection with modern adaptations and retellings of classic novels. While classic literature provides timeless themes and valuable life lessons, the language and style can often feel inaccessible to our diverse readers and student population. By offering contemporary reimaginings of these works, the project aims to bridge the gap between the traditional and the modern, making classic themes more relatable and engaging for students.
December., 2025	850.00	Micah Baker	GLA	Purchase the "Keyboarding Without Tears" which is a child-friendly, online platform that helps students learn proper typing technique through fun and engaging lessons. By giving students fluency at the keyboard, we can provide them with confidence, support academic growth, digital readiness, and future career skills.
December., 2025	1,107.34	Gayla Baker	FMS	Funding to support the inaugural class of the College Prep Academy, a program focused on helping high school students plan for life after graduation. To inspire and motivate students, the group will be taken on a visit to Texas A&M University–Commerce. During the trip, students will tour the campus and dormitories and attend an educational program at the university's planetarium.
December., 2025	18,950.00	Jessica Morris	THS	Purchase of essential metal cutting equipment to support welding instruction and student competition preparation at Terrell High School. Specifically, the request includes: • Four (4) new oxy-acetylene torch dollies • One (1) 4" inch pipe saddle • One (1) cutting torch designed for saddle use • One (2) Victor hand-held plasma cutting machine These items will replace aging, worn out equipment and expand our capacity to train students using safe, industry-standard tools. The upgraded tools will be integrated into daily instruction and used for preparation for events such as North Texas Weld Wars, as well as to support career readiness in welding, fabrication, and pipefitting pathways.
December., 2025	14,389.86	Megan Acevedo	WES	Purchase of a comprehensive collection of decodable readers that offers students meaningful opportunities to practice decoding, build fluency, and develop confidence as independent readers. The library will serve as a sustainable resource for teachers and students, ensuring that every child has the tools they need to progress along their literacy journey.
December., 2025	25,000.00	Reece Kingcade	TISD	Purchase of acoustic shells that will provide a professional-level performance environment, better preparing them for competitions, college auditions, and future musical endeavors. The improved acoustics will also enrich the audience experience, fostering greater community engagement and appreciation for the arts.
December., 2025	1,160.00	Jasmine Lopez	GWE	Purchase of bilingual books, hands-on educational games, and alphabet bins for bilingual students in grades k-5. These resources will help students recognize letters, vocabulary, and classroom objects in both English and Spanish, making it easier for them to connect learning at school with their daily experiences.
December., 2025	1,860.00	LaRonnica McCurdy	WES	Funding to purchase supplies for a Fine Motor & Writing Readiness Center for all six kindergarten classrooms at Dr. Bruce Wood Elementary School. The centers will include hands-on tools such as lacing activities, tweezers, Play-Doh mats, tracing boards, and adaptive writing tools that strengthen hand muscles and improve coordination. By targeting these foundational skills early, students will be better prepared for writing, cutting, and academic success. This project supports Student Achievement by directly addressing kindergarten readiness skills and School Culture by promoting student independence and confidence.

December., 2025	2,065.00	LaRonnica McCurdy	WES	Purchase of bilingual books, hands-on educational games, and alphabet bins for bilingual students in grades k-5. These resources will help students recognize letters, vocabulary, and classroom objects in both English and Spanish, making it easier for them to connect learning at school with their daily experiences
December., 2025	1,650.00	Beth Tidwell	GWE	Funding for a two and half week professional training program for the elementary music teacher to train her in the Kodaly music instructional methodologies. It is a 3 summer process in total. This project would give the teacher proven instructional processes to use when planning and implementing music instruction for the students at Gilbert Willie Sr. Elementary and the advanced instruction for the students expected in the future Fine Arts Academy.
December., 2025	5,900.00	Kimberly Kimpela	GWE	Funding to provide every student in grades Kindergarten through 5th grade (a total of 671 students) with a copy of The World According to Humphrey by Betty G. Birney. The book will serve as the centerpiece of a schoolwide book club, where all students, teachers, and families share the same reading experience.
December., 2025	46,100.00	Kaitlynn McClay & William Socha	THS	Provide funds to repair, service, and upgrade key equipment in Terrell High School's engineering and robotics labs, including the Shopbot CNC machine, Kuka industrial robotic arm, two Full Spectrum laser engravers, the water jet CNC, and three HAAS CNC machines. These upgrades will restore outdated and unsafe equipment to full, industry-standard operation, giving students hands-on experience with advanced manufacturing and automation tools while enhancing safety, productivity, and community engagement.
December., 2025	2,000.00	Matt Warnock & Deborah Smith	THS	Funds to sponsor an annual fieldtrip to a regional university for an in-depth preview of their Educator Pathway Program (EPP) as part of our recruiting efforts and our Grow Your Own program. TAFE is an organization that identifies and supports future teachers.
December., 2025	110,134.56	Charde Dockery	TISD	Funds to provide hands on field trip and learning opportunities for students of all grades. The Blue Sky Experience was created to open doors of possibility for students in Terrell Independent School District. This initiative provides students with meaningful opportunities to step beyond the walls of their classrooms and into experiences that ignite curiosity, inspire ambition, and expand their understanding of the world. These experiences go beyond traditional field trips, they are purposeful, transformative moments that connect classroom learning to real-world possibilities. Whether touring a college campus, engaging with professionals in various industries, or exploring new environments, students are encouraged to see themselves as future scholars, innovators, and leaders. Blue Sky nurtures confidence, builds aspirations, and places our students on equal footing with their peers, preparing them to thrive in college, career, and life.
December., 2025	100.00	Karma Garcia	THS	Purchase of an AI sensor that contains a smart camera with advanced recognition allowing the robot to differentiate between balls of different colors. This sensor will be used in practice and competitions.
December., 2025	3,920.00	Socha - Robotics Team B	THS	Funding to send THS Robotics Team B to the AFCEA Pikes Peak Tournament in Colorado.
December., 2025	3,195.00	Socha - Robotics Team X	THS	Funding to send THS Robotics Team X to the AFCEA Pikes Peak Tournament in Colorado.
December., 2025	4,352.00	Socha - Robotics Team F	THS	Funding to send THS Robotics Team F to the AFCEA Pikes Peak Tournament in Colorado.
April., 2026	1,550.00	Guthrie - Toure Bowie	THS	Provide funding for a Terrell High School student to attend a summer Theatre camp in Corpus Christi
April., 2026	1,260.00	Gina Montoya	THS	Provide funding to send a Terrell High School student to the Student Congress Sweet Stakes Leadership Conference.
April., 2026	3,500.00	Crissie Kayser	THS	Purchase of hands-on, manipulative-based instructional approach in 9th Grade Biology to better support Special Education, 504, LEP and EB students. Many of these students struggle with complex scientific concepts, academic vocabulary, reading-heavy curriculum materials, and traditional lecture-based instruction.

April., 2026	2,000.00	Lisa McBride	THS	Funding to support high school students who have qualified for a national-level education competition in Portland, Oregon. This experience will provide students with the opportunity to compete in events such as lesson planning and public speaking while participating in leadership workshops and professional learning sessions. By engaging in this national forum, students will gain exposure to real-world educational practices, strengthen their communication and leadership skills, and build confidence in pursuing careers in education.
April., 2026	2,550.00	Erica Carter	FMS	Funding to provide students with access to Generation Genius, an interactive, standards-aligned science platform that combines video lessons, hands-on experiments, and ready-to-use instructional resources. This program is designed to help students visualize and better understand complex scientific concepts such as body systems, cell structures, and Earth processes.
April., 2026	4,000.00	Maddox Muse	THS	Funding to provide hands-on work kits that help special education students build practical job skills through real-world applications of reading and math. Students will follow written instructions, measure materials, and complete structured tasks that simulate workplace expectations. These activities are designed to strengthen problem-solving abilities, independence, and task completion skills while allowing students to demonstrate their individual strengths.
April., 2026	1,175.00	Brandy Veihl	WES	Funding to expand the educational garden at Dr. Bruce Wood Elementary by adding composting equipment that supports hands-on, real-world learning for students, particularly at the first-grade level while benefiting the entire campus. This project serves elementary students by providing opportunities to engage in sustainability practices, observe scientific processes, and apply cross-curricular skills.
April., 2026	3,000.00	April Giles	JWL	Purchase of hands-on science materials to explore Earth systems, light, and electrical circuits through interactive investigations. It serves all 5th grade students, with particular benefits for economically disadvantaged students by ensuring equitable access to high-quality instructional resources.
April., 2026	3,078.00	Manuel Palos	JWL	Funding of two educators from J.W. Long Elementary to attend the Conference for the Advancement of Science Teaching (CAST), where they will gain research-based instructional strategies and hands-on learning approaches to improve science instruction. The project primarily serves students in grades 3–5, with extended benefits to K–2 through shared resources and training.
April., 2026	3,114.00	Roderick Boyce	THS	Purchase of portable instrument tuners for use during marching band rehearsals and performances, allowing students to maintain proper pitch while practicing outdoors. This project serves high school band students, particularly brass and woodwind players
April., 2026	4,200.00	Reece Kingcade	THS/FMS	Provide funding for a three-year guest clinician initiative that will bring highly qualified choral professionals to work with the choir programs at Furlough Middle School and Terrell High School. Each program will host three clinician visits per year, for a total of eighteen visits across both campuses over the life of the grant. Clinicians will be drawn from the ranks of respected university choral directors, recognized Texas Music Educators Association and Texas Choral Directors Association figures, and experienced adjudicators, professionals whose expertise and teaching perspectives extend well beyond what a single director can provide on a daily basis.
April., 2026	3,100.00	Reece Kingcade	THS/FMS	Purchase a professional-grade video and audio recording system for use in the Jamie Foxx Performing Arts Center. The equipment will be used to record the 8-10 concerts and performances hosted by both programs each school year.
April., 2026	4,141.50	Annette Graham	WES	Purchase of Just Right Reader Inc. books that will expand on a previously funded initiative to ensure that every student, regardless of reading level, has access to high-quality, engaging books tailored to their needs. By enhancing teachers' ability to deliver effective small group instruction with targeted, level-appropriate resources, this project will strengthen differentiation and maximize instructional impact.
April., 2026	1,500.00	Watson - David Andrade	THS	FFA Student Grant: Texas Longhorn World Show
April., 2026	6,000.00	Lisa McBride - 4 students	THS	Student Grant: Grow Your Own Teaching: Educators Rising National Competition

April., 2026	7,500.00	Socha - Team 75160A	THS	Robotics Student Grant: 75160A
April., 2026	6,000.00	Socha - Team 75160Y	THS	Robotics Student Grant: 75160Y
April., 2026	400.00	Kingcade - Asia Johnson	THS	Choir Student Grant: All State Choir
April., 2026	400.00	Kingcade - Jedeira Taylor	THS	Choir Student Grant: All State Choir
April., 2026	400.00	Kingcade - Jessica Jackson	THS	Choir Student Grant: All State Choir
April., 2026	1,500.00	Guthrie - Enmanuel Avelar	THS	Debate Student Grant: Georgetown Camp
April., 2026	1,500.00	Guthrie - Rory Peek	THS	Debate Student Grant: Georgetown Camp
April., 2026	1,400.00	Guthrie - Elliot Guthrie	THS	Debate Student Grant: UTNIF Camp
April., 2026	1,400.00	Guthrie - David Bailon	THS	Debate Student Grant: UTNIF Camp
April., 2026	1,400.00	Guthrie - Angel Santos	THS	Debate Student Grant: UTNIF Camp
April., 2026	1,400.00	Guthrie - Jazmin Sanchez	THS	Debate Student Grant: UTNIF Camp
Sub 2024-25	\$ 313,888.02	45		
September 2024 -- August 2025				
December., 2024	\$ 1,600.00	John Smith	FMS	Purchase of chess sets, and annual memberships for students and teams for the creation of the Furlough Middle School Chess Club.
December., 2024	\$ 3,500.00	Susanne Zoch	GLA	Provide all students at GLA tickets to see a live production of Magic Carpet Dreams: A Journey to Aladdin's World in Dallas.
December., 2024	\$ 2,500.00	Crissie Kayser	THS	Provide funding to create and establish a Bubble Blasters STAAR Club Grant. The club utilizes board games and interactive games to aid students in their state standardized testing achievements.
December., 2024	\$ 3,794.00	Tracy Malone	Special Olympics	Purchase of Special Olympics uniforms and warm-up outfits for all Special Olympics athletes. Uniforms will stay with the program and can be reused year to year.
December., 2024	\$ 2,000.00	Camille Chen	GLA	Purchase of equipment to transform the outdoor space at GLA into an interactive student garden with flexible seating and social spaces.
December., 2024	\$ 8,400.00	Lindsey Shirley	FMS	Purchase of a ceramic kiln and pottery supplies to expand the Furlough Middle School art program and allow students to compete in solo and group competitions.
December., 2024	\$ 35,022.65	William Socha	THS, CTE	Manufacturing Equipment
December., 2024	\$ 16,261.00	Jennifer Lopez	WHB	Purchase of an interactive learning Taking Unit playhouse that allows Pre-K students to engage in real world experiences through learning and play.
December., 2024	\$ 5,600.00	Stephanie Lassiter	THS	Provide funding to attend the College Board A Dream Deferred conference. Participation in the conference can significantly enrich high school culture by enhancing educator effectiveness, promoting equity and inclusion, empowering students, and fostering a collaborative and supportive environment. This collective improvement can lead to better student outcomes and a more positive school community.
December., 2024	\$ 1,500.00	C. Frazier	GWE	Purchase of snacks and supplies needed to launch the The Pair Partner Project, which is a collaborative initiative that brings together school staff and a select group of parents to exchange valuable information aimed at fostering supportive behaviors across various environments. This program provides an opportunity for parents to engage with educators in meaningful discussions during monthly luncheons.

December., 2024	\$ 57,175.00	J. Jones	THS	Purchase of updated welding materials and machinery used in the Terrell High School Career and Technical Education (CTE) program to better equip and prepare students for the opportunity to earn industry recognized certifications in both Arc Welding and Shielded Metal Arc Welding, thus in turn making students workforce ready and instantly employable after graduation.
December., 2024	\$ 1,500.00	Watson - Giovanni Lopez	THS	Provide funding for a Terrell High School student to attend the World Longhorn FFA Show in Austin Texas.
December., 2024	\$ 1,000.00	Guthrie - Katelynn Valdez	THS	Provide funding for a Terrell High School to attend the Baylor Speech and Debate Summer Camp. Students will learn and hone techniques for UIL Speech and Policy Debate competiitons.
December., 2024	\$ 1,000.00	Guthrie - Aurora Peek	THS	Provide funding for a Terrell High School to attend the Baylor Speech and Debate Summer Camp. Students will learn and hone techniques for UIL Speech and Policy Debate competiitons.
December., 2024	\$ 1,000.00	Guthrie - Madhava Kelly	THS	Provide funding for a Terrell High School to attend the Baylor Speech and Debate Summer Camp. Students will learn and hone techniques for UIL Speech and Policy Debate competiitons.
December., 2024	\$ 1,000.00	Guthrie - Enmanuel Avelar	THS	Provide funding for a Terrell High School to attend the Baylor Speech and Debate Summer Camp. Students will learn and hone techniques for UIL Speech and Policy Debate competiitons.
December., 2024	\$ 1,400.00	Guthrie - Emerson Guthrie	THS	Provide funding for a Terrell High School to attend the Baylor Speech and Debate Summer Camp. Students will learn and hone techniques for UIL Speech and Policy Debate competiitons.
December., 2024	\$ 1,408.00	Socha - Ricardo Herrera	THS	Purchase of a coding Robotics laptop that will be used for Engineering and Coding at local, state, and national Robotics tournaments
December., 2024	\$ 1,500.00	Guthrie - Toure Bowie	THS	Provide funding for a Terrell High School student to attend a summer Theatre camp in Corpus Christi
April., 2025	\$ 2,547.00	Jose Leanos	THS	Student trip to attend a Drum Corps International (DCI) event in McKinney, Texas. The event will allow THS Band students to observe top-tier marching bands, learning from their warm-up and performance techniques.
April., 2025	\$ 3,200.00	Jose Leanos	THS	Implementation of the Ultimate DrillBook App to enhance the learning experience for members of the high school marching band. The app integrates sheet music with drill charts, allowing students to visualize their positions and movements on the field, which accelerates the learning process and ensures uniformity across the group.
April., 2025	\$ 4,500.00	Jose Leanos	THS	Provide funding to hire marching technicians to provide individual feedback and instruction to the members of the Terrell High School Marching Band. The goal is to enhance student achievement by exposing students to different educators and teaching methods, recognizing that students learn in various ways. The hired technicians will work with smaller groups of students during rehearsals, offering more personalized guidance, which will help improve their skills in marching, posture, and playing.
April., 2025	\$ 27,300.00	Leo Chavez	THS	The Terrell High School Band is growing rapidly, and this grant will fund Master Classes for 10 instrument-specific teachers to provide individualized instruction. These expert teachers will work with students during summer camp and throughout the school year to enhance skills for All-Region, Solo & Ensemble, and UIL competitions.
April., 2025	\$ 16,500.00	William Socha	THS	Purchase updated and additional VEX V5 competition field equipment to host middle and high school robotics competitions. This initiative aims to strengthen connections between grade levels, boost student engagement, and enhance community involvement. The target audience includes students in grades 6–12. Hosting these competitions at the ExCEL will not only promote STEM and career pathway collaboration but also provide fundraising opportunities for other student programs and valuable real-world experience for students in media and AV.

April., 2025	\$ 1,000.00	A. Andrews	GWE	Provide funding to enhance 3rd-grade literacy by expanding the classroom library and providing interactive tools. Targeting economically disadvantaged students, the funds will purchase leveled books, literacy games, take-home reading bags, and classroom reading corner items. The project aims to improve reading comprehension, foster a love for reading, and engage parents in supporting literacy at home.
April., 2025	\$ 5,900.00	Chris Turner	C&A	Provide funds to implement a Social and Emotional Learning (SEL) initiative at the Child and Adolescent School to support students who have experienced significant trauma. The initiative will integrate a de-escalation course into daily instruction and provide students with goal-based incentives through a campus store.
April., 2025	\$ 2,000.00	C. Hayden	GLA	Provide funding to transform the classroom to match a new theme—such as Outer Space, Superheroes, or Jungle Safari—featuring hands-on learning stations and interactive visuals aligned with the current curriculum.
April., 2025	\$ 6,821.00	Katylynn McClay	THS	Purchase of modular Everblock walls to replace the teacher-built barriers from the 2024-2025 school year, offering a more professional and adaptable setup. The project aims to improve the lab's organization, safety, and classroom/shop separation. With reusable modular blocks, the space can be reconfigured as needed.
April., 2025	\$ 670.00	Heather Ray	FMS	Provide 8th-grade science students with access to interactive science applications designed to enhance learning and engagement. The project will integrate station rotations, virtual labs, and gamified lessons to create differentiated, hands-on learning experiences.
April., 2025	\$ 924.00	Emily Fuller	WES	Purchase stationary bikes with desks for use in Special Education classrooms. The project aims to improve student engagement and focus, particularly for students with ADHD and learning disabilities such as dyslexia. By integrating movement into learning, the stationary bikes provide students with an outlet for energy and help them stay focused on academic tasks.
April., 2025	\$ 2,000.00	Dylan Lee	THS	Enhance the high school Technical Theatre program by purchasing essential supplies, such as stage makeup kits and sewing materials, to support hands-on learning in makeup application and costume design. The project will provide students with practical skills in theatre production, preparing them for careers in the performing arts, cosmetology, fashion, and technical trades.
April., 2025	\$ 16,433.00	Charlste Calhoun	WHB	Provide funding to purchase and install an interactive farm and garden-themed playhouse for Pre-K3 and 4 students. Designed as a pretend and learn station, the playhouse will allow children from diverse backgrounds to simulate farming and gardening activities, fostering vocabulary development and concept recognition. These experiences are especially impactful for students with limited access to similar environments outside of school. Teachers will integrate sorting, identification, and dramatic play tasks tied to curriculum objectives.
April., 2025	\$ 1,000.00	Lonnie Guthrie	THS	Provide funds for THS Student Wyatt Cox to attend the Baylor Summer Debate Camp to provide valuable training to enhance his skills in preparation for the 2025 Debate season. Funds will cover the registration and travel required for the camp.
April., 2025	\$ 1,500.00	Ashden Anderson	THS	Provide funding to purchase a laptop to support a THS student's work as a volunteer teacher aide at W.H. Burnett Early Childhood Center. The laptop is essential for maintaining records related to work with Kinesiology students and will also be used to assist with various school-related events and club activities. Additionally, the device will support Ashden's educational development as they pursue a teaching degree through the Terrell ISD "Grow Your Own" program.
Sub 2024-25	\$164,878.00	19		
September 2023 -- August 2024				
Nov., 2023	\$ 4,000.00	Maddox Muse	THS	M. Muse - Job Skills Work Stations
Nov., 2023	\$ 1,935.00	John Bonadurer	THS	J. Bonadurer - Litigation in Action
Nov., 2023	\$ 1,460.00	Micah Fitzgerald	GLA	M. Fitzgerald - Versatile Independence with Versatiles
Nov., 2023	\$ 730.00	Phebe Foster	GLA	P. Foster - Learning Capturing Excelling

Nov., 2023	\$ 2,000.00	Melissa Quirl	FMS	M. Quirl - HiLo Books to Hooks Reluctant Students
Nov., 2023	\$ 10,000.00	Amanda Guthrie	THS	A. Guthrie - Tigers on Broadway
Nov., 2023	\$ 5,000.00	John Young	THS	J. Young - Folklorico Studies
Nov., 2023	\$ 6,792.00	Deborah Smith	THS	D. Smith- Teaching & Training Future Teachers
Nov., 2023	\$ 9,463.00	Angela McClinton	FMS	A. McClinton - The Rockin' Texas History / College Road Trip
Nov., 2023	\$ 10,991.00	Haley Watson	THS	H. Watson - Standing for Change
Nov., 2023	\$ 8,060.00	Julianna Sheeran	WES	J. Sheeran - A Journey to the Wetlands
May., 2024	\$ 68,890.00	Charde Dockery	Admin	C. Dockery - Blue Sky Project
May., 2024	\$ 10,000.00	Daveida Pierson	FMS	D. Pierson - Feed The Tigers
May., 2024	\$ 8,440.00	Michael Arndt	THS	M. Arndt - Spead the Word
May., 2024	\$ 6,530.00	Rachael Newland	WHB	R. Newland -Out of this World Space Room
May., 2024	\$ 13,751.00	Maria Laudan	WES	M. Laudan - Robotics for Primary
May., 2024	\$ 10,000.00	Patricia Lane	THS	P. Lane - SAT Enrichment Program
May., 2024	\$ 25,158.00	William Socha	THS	W. Socha - 3-D Design Lab
Sub 2023-24	\$ 203,200.00	18		
September 2022 -- August 2023				
Oct., 2022	\$ 2,130.00	J Young/Samantha Williams	WES	Purchase pre-tuned Tubano drums to supplement current instrumentation for Elementary Music classroom with a goal of increasing music reading skills and sight words for young students.
Oct., 2022	\$ 2,000.00	Gigi Rose	C & A	Provide funding for sensory room supplies to support non-verbal students on the Autism Spectrum with a goal of improving classroom engagement and behavior. This room would also provide a safe space to calm all C & A students when needed.
Oct., 2022	\$ 2,200.00	Blythe Senkel	JWL	Provide registration, housing, travel and meals for Elementary Music teacher to attend workshop/training with the goal of promoting "World Music Drumming" for elementary music students. This is a professional development grant.
Oct., 2022	\$ 2,000.00	Haley Watson	THS, CTE	Provide equipment and grooming supplies to support THS Vet-Med students with an enriched Veterinarian simulation environment with a goal of attaining Applied Vet Certification for THS students interested in Veterinarian Sciences.
Oct., 2022	\$ 2,000.00	David Pena	JWL	Provide proper soccer equipment for elementary campus soccer club and Physical Education classes to promote a positive experience and cultivate a love for the sport of soccer.
Oct., 2022	\$ 7,000.00	Chris Turner	FMS	Provide funding for a student mentorship program with a goal of improving campus climate and culture. This grant would provide access to professional mentors, a structured curriculum and opportunities for academic intervention and social bonding.
Oct., 2022	\$ 8,181.00	Melissa Quiri	FMS	Provide funds to initiate a reading incentive program with the objective of motivating students to increase the amount of time they spend reading, cultivating a love of reading and increase reading fluency and comprehension. Teamwork competition, celebrating readers, and promoting reading with Quiz Bowl style activities are planned.
Oct., 2022	\$ 6,398.00	Amy Toy	GWE, WES, JWL, GLA	STEM teachers need materials to address Science, Engineering, Math and 21st Century skills with students across all TISD campuses at the same time to create equity amongst students. Purchasing Lego STEAM Park, which is specifically designed for Kindergarteners.
Oct., 2022	\$ 8,500.00	Jacob Jackson	THS, CTE	Provide five additional cameras and various ancillary equipment and supplies to create smaller work crews, which will provide more hands-on experiences for students in Career Tech Audio/Visual classes at Terrell High School. This will allow students to increase their skills as storytellers, videographers, and photographers.

Oct., 2022	\$ 4,894.00	LaShandra Gordon	GWE, JWL, WES, FMS, THS	Provide registration fees for TISD teacher team to attend THE SUMMIT conference with a goal of closing opportunity gaps between student groups related to academic groups and behavior performance.
Oct., 2022	\$ 20,852.00	Abbie MacEnturff	THS, FMS	Provide supplies and equipment for Robotics as well as funding to host two local tournaments.
Oct., 2022	\$ 5,732.00	Malori Wooten	JWL	Purchase and install a projector in the JWL gym to incorporate technology with lessons allowing students to engage in new forms of physical education. The projector would also be used for school assemblies held in the gym for campus celebrations.
Oct., 2022	\$ 6,198.00	Sarah Pizzini	THS	Purchase virtual reality headsets and accompanying software to provide enhanced opportunities for students to learn through enriched virtual reality experiences.
Oct., 2022	\$ 14,980.00	Matthew Warnock	TISD HR Dept	Support "experiential recruiting" strategy by providing funds needed to equip and implement a type of regional show bus tour of college campuses with a goal of recruiting effective teaching staff for Terrell ISD and enhancing the brand and status of our school district as well as promoting the Terrell community.
Oct., 2022	\$ 12,000.00	Anthony Knight	ExCEL	Fund to support a pilot project to serve TISD students with disabilities opportunities to participate and enjoy a wide variety of extra-curricular sports and other enrichment activities in traditional, modified, and non-traditional settings.
Oct., 2022	\$ 7,767.00	Stephanie Harden	THS	Provide cultural development through musical theater and live performance by attending a special matinee performance of "The Lion King" for students only at Bass Hall in Ft. Worth. This show is more accesible to more THS choir and theater studetns because it is in the school day.
Oct., 2022	\$ 50,000.00	Blair Bryant	THS, CTE	Purchase equipment, tools and supplies to provide a significant upgrade for a wider variety of services the TISD Auto Tech students to work on more modern cars and trucks. This will include major upgrade in tools in metric measurements, swivel sockets, electrical and emission controls, etc.
Oct., 2022	\$ 4,399.00	Lauren Rogers, Ahmad Rhodes, Angelica & Giovanni Lopez (Students)	CTE	Student Grant for students to attend FFA National Convention in Indianapolis
Oct., 2022	\$ 5,522.00	Erik Reyes, Juan & Antonio Armendariz (Students)	THS Robotics	Student Grant to provide funds to buy parts for building computers, CAD Machines and MakerSpace projects.
Sub 2022-23	\$172,753.00	19		
September 2021 -- August 2022				
Oct., 2021	\$ 1,989.00	Kristin Hicks	GWE	Due to the increased enrollment at GWE, funds will be provided to purchase four additional barred keyboard instruments and mallets to increase sudent participation.
Oct., 2021	\$ 2,000.00	Kathryn Black	BWE/SPED	The purchase of Sensory Pathway Kits will assist students with disabilities to regain focus and cognitive function.
Oct., 2021	\$ 1,500.00	Gigi Rose	C&A	Students will run a school store with the goal of gaining real-world experience and financial literacy. Funds will provide a USB bar code scanner and related equipment.
Oct., 2021	\$ 70,000.00	Dr. Georgeanne Warnock	District	Funds will provide tangible surprises for staff throughout the year. The goal is to create a positive atmosphere to promote teacher retention and recruitment.
Oct., 2021	\$ 1,300.00	Julie Long	TAEC	At-risk students will be provided field trips to expose them to career opportunities and make connections with local business leaders with the goal of inspiring them to choose a career path and graduate.
Oct., 2021	\$ 17,293.00	Amy Toy	GWE, JWL, BWE, GLA	TISD elementary students in STEM classes need a variety of materials. Funds will provide Lego Education SPIKE Essential sets and provide professional development for teachers.
Oct., 2021	\$ 2,000.00	Destiny Ontiveros	WHB	Funds will be used to purchase OSMO "Little Genius Starter Kits" for three year-old students to increase achievement in literacy and math.
Oct., 2021	\$ 9,997.00	Robyn Hedke	JWL	Funds will be used to purchase materials to create 4 student communities. This activity will increase student engagement and foster teamwork.
Oct., 2021	\$ 10,000.00	Stephanie (Witzorreck) Hardin	THS	Students in THS Theater and Choral Music will attend a professional Broadway musical at Dallas Summer Musicals in January.
Oct., 2021	\$ 9,403.00	Valerie Williams	GWE	Funds will be used to purchase a wide variety of books and games to increase scores on STARR Reading and Math tests.

Oct., 2021	\$ 15,143.00	Dhana Mouton	TISD Business Off	The funds will be used to provide a surprise classroom renovation for TISD Secondary Teacher of the Year. The new classroom furniture will allow flexibility in addressing different learning styles.
Oct., 2021	\$ 11,325.00	Tonya Tillman	TISD Business Off	The funds will be used to provide a surprise classroom renovation for TISD Elementary Teacher of the Year. The new classroom furniture will allow flexibility in addressing different learning styles.
Oct., 2021	\$ 7,827.00	Morgan Knauth	GWE	Funds will be used to provide software subscriptions and equipment to enable students to navigate social media platforms that are positive and safe.
Oct., 2021	\$ 3,500.00	Lea Hempstead	FMS	T-shirts will be purchased to help build unity, personal responsibility, and self-esteem for students entering the new AVID program.
Oct., 2021	\$ 17,556.00	Veronica Johnson	FMS	Funds will be used for desks designed for flexibility in arranging for collaborative learning. Students will be able to work together as a community.
Oct., 2021	\$ 9,000.00	Paul Webber	FMS	Twenty-five Canon cameras will be purchased to support course standards in Digital Media, Art, Career Investigation, and Library Media.
Mar., 2022	\$ 9,582.00	John Young	THS & Elementary	Music teachers will attend Kodaly training at SMU summer workshop.
Mar., 2022	\$ 6,394.96	Robn Cannon	WHB	Elementary students will explore career options via interactive career stations
Mar., 2022	\$ 8,400.00	Maria Laudan	BWE, GWE, JWL, GLA	Four elementary teachers will receive STEM training at Texas Computer Association Conference.
Mar., 2022	\$ 10,485.00	Ryan Knauth	FMS	Professional development will be provided to teachers to address proper use and care of technology.
Mar., 2022	\$ 5,854.08	Daveida Pierson	FMS	Incentive gifts will be purchased to motivate students to exhibit positive behavior.
Mar., 2022	\$ 6,297.41	Katelyn Jones	WHB	Furnishings and sensory tools will be purchased to promote self-regulation and an understanding of positive ways to express feelings.
Mar., 2022	\$ 9,721.39	Jacob Ward	THS	Lab equipment will be purchased to enhance a hands-on learning environment.
Mar., 2022	\$ 4,219.71	Natalie Gleaves	GWE	Flexible seating will be provided for this intervention classroom to strengthen student focus.
Mar., 2022	\$ 41,000.00	Michael Arndt	THS (CTE)	Provide a strategic upgrade to audio-visual equipment to digitize live 4-K broadcasting services and expand graphics for production services for events held at Terrell Memorial Stadium. This will allow our students to generate advertisements for the scoreboard for in-person attendees as well as at-home and online viewers.
Mar., 2022	\$ 5,000.00	Alison Rison	BWE,GWE, JWL, GLA	High-interest and high-quality books will be provided to K-5 students at no cost via vending machines.
Sub 2021-22	\$296,787.55	25		
September 2020 -- August 2021				
Oct., 2020	\$ 1,440.00	Heather Graham	HSA (CTE)	Provide funds to pay registration fees for area and state competitions for nursing students participating in Health Occupation Students of America competitions.
Oct., 2020	\$ 780.00	Bradley Daniels	THS (CTE)	Provide additional safety equipment and supplies in order to reduce sharing of equipment during the COVID pandemic.
Oct., 2020	\$ 2,500.00	Jennifer Limerick	GWE	Provide a course designed for socially-distanced physical activities to support both left and right brain development for elementary students.
Oct., 2020	\$ 1,200.00	Morgan Knauth	GWE (STEAM)	Support "A Literary STEAM lab" with a goal of inspiring literacy skills achievement through journaling, podcasting, interviewing, reading and writing activities.
Oct., 2020	\$ 5,000.00	Amanda Guthrie	THS	Provide equipment and supplies for a "Theatrical Design Lab" to provide THS Theater students opportunities to design costuming, build sets, make props, learn techniques of scenic design, special effects and other elements of theater and film production.
Oct., 2020	\$ 32,875.00	Michael Arndt	THS (CTE)	Partner with the Terrell Business Community in purchasing professional-grade HD camera equipment kits to provide services ranging from live streaming community events to generating professional quality advertising and training videos.
Oct., 2020	\$ 6,000.00	Susanne Zoch	BWE, GWE, JWL	Provide Kodaly Certification at SMU for elementary music teachers.

Oct., 2020	\$ 3,436.00	Aidan Corrales	THS, FMS	Purchase a variety of supplies and equipment with a goal of raising computer literacy skills to better prepare students for college and career opportunities.
Oct., 2020	\$ 5,200.00	Marcus Edwards	THS, FMS (CTE)	Purchase robotics systems, raw materials, safety equipment, etc. to support THS & FMS participation in upcoming robotics competitions. An additional \$10,000 is pledged by the Economic Development Corporation to pay for TISD Robotics teams that qualify for WORLD ROBOTICS CHAMPIONSHIPS.
Oct., 2020	\$ 16,600.00	John Young	WHB, GWE, JFK, BWE	Enhance music reading skills for all TISD K-5 general music students with the purchase of interactive television systems and enhanced curriculum instruction to support all academics and increase knowledge of music as elementary age students move into middle and high school fine arts programs.
Oct., 2020	\$ 7,650.00	Lucas Hurst	THS	Provide year-long support and preparation for PSAT, SAT, ACT, National Merit achievement and College Board Recognition with a goal of significantly increasing the number of TISD students pursuing 4-year college degree programs.
Oct., 2020	\$ 2,132.00	Destiny Ontiveros	WHB	Provide a "Sensory Walk" to help students self-regulate their emotions, improve focus and encourage better behavior in the classroom environment.
Oct., 2020	\$ 15,000.00	EDC Request	THS (CTE)	Purchase a folklift and provide operational skills training for senior Career Tech students attending Terrell High School.
Oct., 2020	\$ 1,500.00	Mason Bobbit	THS (Student)	Gain hands-on experience in computer hardware systems, maxing performance, electrical circuitry, etc. in designing and building a complete workstation.
Oct., 2020	\$ 1,500.00	Steven Perry	THS (Student)	Provide parts and equipment to design and build a CAD designated machine to increase his knowledge and skills in preparation for college and career.
Jan. 2021	\$ 15,000.00	Larry Polk	TISD	Second part of grant to cover expenses for a mobile library bus to take literacy to Terrell neighborhoods year round.
Jan. 2021	\$ 9,845.00	Kristi Stacks	JWL, FMS	Add laser cutters to Furlough Robotics and Long STEAM classrooms
March, 2021	\$ 2,157.00	Andrew Barbee	WHB	Add more hallway sensory walks to the Burnett campus. This expands a previous grant which was for 3 year olds only to the entire campus. The sensory walks will encourage better behavior and improve focus in the classroom.
March, 2021	\$ 9,000.00	Michael Daigrepoint/McEnturff	FMS / THS	Provide funds to allow a group of students focused on aerospace engineering to enter a NASA sponsored competition in rocketry. \$6,000 to be awarded if advance to NASA competition.
March, 2021	\$ 10,800.00	Dr. Juan Solis	TISD	Provide scholarships for 5 teachers to become Nationally Board Certified, and as a result receive a pay increase for 5 years.
March, 2021	\$ 4,940.00	Chris Turner	FMS	Provide student planners for FMS students in the new AVID program, which is designed to reach students who fall in the academic middle providing instruction in writing, organization, collaboration, reading, and time management.
Aug., 2021	\$ 29,220.00	Luke Hurst	THS (CTE)	Provide a new plasma cutter table for THS Welding students.
Sub 2020-21	\$183,775.00	22		
September 2019 -- August 2020				
Sept., 2019	\$ 15,000.00	Micah Taylor	GLA	Provide rigorous classroom libraries of varying genres and levels for all teachers
Dec. 2019	\$ 2,000.00	Kristi Stacks	JWL	Provide a variety of materials which will enable students to construct and design artifacts related to "Peter Pan"
Dec. 2019	\$ 2,010.35	Aiden Corrales	THS (CTE)	Provide supplies and equipment for Computer Science students to design and make micro-controllers which will enable them to complete programmable assignments.
Dec. 2019	\$ 2,000.00	Kirsten Watson	THS (CTE)	The Ag Science teacher will purchase equipment to create a Vet Med curriculum, such as bathing basins, clipers, and medical supplies.
Dec. 2019	\$ 2,370.00	Nicole Miller	GWE	Flexible seating will be provided for all six 1st grade classrooms. The goal is to improve the focus of students who are easily distracted.
Dec. 2019	\$ 11,331.66	Michael Arndt	THS (CTE)	Provide equipment to enable A-V students to use live broadcasts of Terrell events on the TISD on-line footprint.
Dec. 2019	\$ 6,000.00	Melissa Daugherty	GLA	Provide funding for a day trip to Austin and San Antonio to support study of Texas history.

Dec. 2019	\$ 924.64	Robyn Hedke	Long	Create an afterschool mentoring program focusing on social and communication skills with the goal of reducing discipline referrals.
Jan. 2020	\$ 26,100.00	Marcus Edwards	CTE	Provide equipment and supplies, travel expenses and competition fees as team strives to compete in WORLD Championships
Jan. 2020	\$ 10,000.00	Michael Daigrepont	FMS(CTE)	Provide parts and equipment to compete in VEX Robotics events
Jan. 2020	\$ 30,000.00	Abby McEnturff	JWL, GWE, BWE, GLA	Provide equipment and supplies to all elementary schools STEAM Labs to engage in a project to create a model of Terrell 50 years in the future.
March. 2020	\$ 8,425.51	Sheree Piper	JWL	Provide equipment and materials to enable special education students to regulate their behavior through visual, auditory, and tactile stimulation.
March. 2020	\$ 10,000.00	Melissa Nichols	Burnett	Provide books, materials, and furniture to transform classrooms into theme-based learning spaces with the goal of expanding vocabulary and oral language.
March. 2020	\$ 5,150.00	Tiffany Swain	GLA	Cover expenses for PBL training for GLA staff.
Apr. 2020	\$ 25,000.00	Rhonda Knight	FMS(CTE)	Provide new computers to enable students to utilize such software as Fusion 360 and Autodesk, and increase coding skills.
June. 2020	\$ 35,000.00	Larry Polk	District	Help fund expenses for a mobile library bus to take literacy to Terrell neighborhoods year round. An additional \$15,000 upon partial completion.
Sub 2019-20	\$191,312.16	17		
September 2018 -- August 2019				
Oct. 2018	\$ 28,876	Rhonda Knight	THS (CTE)	Jet Grant Match of 5% for improvements in welding, CNC, and robotics engineering areas
Dec. 2018	\$ 627.95	Robyn Hedke	Long ES	Purchase of 50 books, software, and 2 Chromebooks to increase writing skills for K-5 Special Education Students.
Dec. 2018	\$ 4,393.00	Glenn Banker	THS	Provide Promethean Interactive Whiteboard with software to increase student engagement.
Dec. 2018	\$ 600.00	Blair Peden	Willie ES	Provide 30 reading books with CD's to increase reading proficiency of students.
Dec. 2018	\$ 777.00	Jessica Haugh	Willie ES	Purchase Mimio Interactive Whiteboards for Life Skills students to allow for more student interaction with curriculum.
Dec. 2018	\$ 1,629.25	Chief Mork / Dr. Trimble	Burnett, Long, Wood, Willie	Provide age appropriate books for PK-3rd grade for a program in which TISD staff, City of Terrell employees, and Texas Highway Patrol officers read to young students during school hours.
Dec. 2018	\$ 5,000.00	Melissa Phillips	Long ES	Pine Cove 3-day Earth Science camp for 5th grade
Dec. 2018	\$ 5,000.00	Brandy Hickmon	Willie ES	Pine Cove 3-day Earth Science camp for 5th grade
Dec. 2018	\$ 8,829.75	Lisa McBride	Wood ES	Provide equipment, software, and gear to support STEM curriculum for VEX Robotics
Dec. 2018	\$ 9,856.46	Aiden Corrales	Furlough MS (CTE)	Provide equipment to build quadcopters and rovers and other projects to support STEM Robotics.
Apr. 2019	\$ 10,000.00	Raquel Villarreal	Burnett ES	Purchase books and parent training materials to implement a program designed to encourage more parent involvement with their children in literacy and emotional health activities in partnership with teachers at Burnett
Apr. 2019	\$ 8,526.00	John Young	FMS	Purchase projector, screen, labor, and installation and software to implement music reading program to address deficiencies in rhythm reading, note accuracy, and playing in tune in large ensemble settings
Apr. 2019	\$ 19,316.99	Chad Nixon	THS (CTE)	Provide equipment to implement "Next Level" engineering programs in support of Manufacturing Engineering students. Robotic arm design efficiency and next level robotics competitions are included in this project.
Apr. 2019	\$ 8,597.15	Marcus Edwards	THS (CTE)	Upgrade various robotics competition equipment and replace worn out V5 motors, motor kits, system bundles, etc. to enable our students to compete at the highest level
Apr. 2019	\$9,429.73	Leanna Roseberry	Long ES, Willie ES, GLA	Purchase equipment, software, and supplies for STEM / Robotics participation to encourage preparing for 21st century career opportunities
Apr. 2019	\$ 4,721.00	Michael Daigrepont	Furlough MS (CTE)	Provide equipment and supplies for this after-school activity to support STEM related rocketry projects

June. 2019	\$ 50,000.00	Micah Taylor	GLA	Provide equipment and supplies for this new Global Leadership Academy campus
Aug. 2019	\$ 50,000.00	Micah Taylor	HSA (CTE)	Provide student computers for students on this new Health Science Academy campus
Sub 2018-19	\$226,180.34	18		
September 2017 -- August 2018				
Sept., 2017	\$14,000.00	Raquel Villarreal	Burnett ES	Equipment and supplies for new STEM lab
Dec. 2017	\$1,400	Kristin Hicks	Willie ES	Third and final year of Orff music certification training at SMU to continue curriculum implementation begun 3 years ago.
Dec. 2017	\$10,000	Wiendy Willmon	Furlough MS	Fifty-five Chromebooks will be purchased for Science classes to infuse technology into science curriculum, enable students to access their online textbook, and create presentations.
Dec. 2017	\$10,000	Melissa Phillips	Long ES	5th grade field trip for two night stay at Pine Cove for hands on experiences in science concepts taught in TEKS, teamwork, self-confidence, and problem solving.
Dec. 2017	\$10,000	Brandy Hickmon	Willie ES	5th grade field trip for two night stay at Pine Cove for hands on experiences in science concepts taught in TEKS, teamwork, self-confidence, and problem solving.
Dec. 2017	\$10,000	Victoria Olivarri	Willie ES	4th grade one-day field trip to Texas Ranger Hall of Fame in Waco, the State Capitol tour, Bullock Museum tour, and Star of Destiny Theatre.
Dec. 2017	\$2,000	Brenda Ricketts	THS CTE)	Equipment for the Forensic Science class
Dec. 2017	\$2,000	Micah Rice	Furlough MS	Standing Desk to meet kinesthetic needs of ADHD students
Dec. 2017	\$2,000	April Dudynski	Wood ES	Increase vocabulary fluency with the use of a program called Flocabulary
Dec. 2017	\$2,000	Jennifer Huggins	Long ES	5th grade students will act as mentors to 1st grade students to foster self-esteem and verbalization skills
Dec. 2017	\$2,000	Farrah Shipley	Willie ES	Thinkery Labs will be created and costumes, props, etc., will be used to make academic subjects come alive
Dec. 2017	\$2,000	Raquel Villarreal	Burnett ES	Reading materials designed to meet the needs of the 3 year old students will be added to the library
