Dear Prospective Grant Applicant:

The Terrell ISD Excellence Foundation is committed to supporting creative ideas of TISD teachers. The **Individual Teacher Grant** provides the opportunity for grant awards up to \$2,000. Although only very special cases will be considered, individuals may apply for an exemption in order to receive more than the allowed maximum \$2,000.

Individual Teacher Grants are designed to improve learning experiences at the classroom level. In developing your request in this category, you might ask yourself, "What would be useful to enhance learning for the students in my classroom?" This could include hands-on learning tools, reference books, interactive software, videos, games that are fun and support learning, etc.

Every school and every classroom has different needs, and no one knows more about the needs of your students than you. Think about what would make a positive impact for the students in your classroom. Grants in the category can be used to support any program or project that has potential to increase academic performance. Successful results could include both quantitative and/or qualitative measurements.

Individual Teacher Grant applications for the Summer/Fall term are due by 9:00pm on **February 22, 2023**. Each teacher submitting a grant must attend a Grant Writing Workshop prior to grant submission. ***Teachers who have previously been awarded grants are exempt from attending the Grant Writing Workshop.*** Grant awards will be announced in mid-April. Guidelines and applications can be accessed and downloaded from our website at www.terrellexcellencefoundation.org. Grant applications may be submitted digitally by email to Dana Skelton at dana.skelton@terrellisd.org.

We encourage you to take advantage of this opportunity to apply for funding to support creative ideas to inspire student learning. Thank you for all you do for our students, and if you have any questions or need help with your application, do not hesitate to contact Monica Kinsey at monica.kinsey@terrellisd.org or Dana Skelton at dana.skelton@terrellisd.org.
